Response

Sir:

In response to the Notice of Allowance and Fee(s) Due and Notice of Allowability mailed May 6, 2009, Applicant submits the following remarks:

Remarks begin on page 2.

REMARKS

In a telephone interview with Examiner Le on May 18, 2009, the undersigned noted that the Notice of Allowability mailed May 6, 2009 indicated that claims 1-27 and 29 were allowed, but did not mention claim 28. Claim 28 is pending in this application as it has never been canceled and depends from allowed claim 27. The Examiner indicated that he would issue a supplemental Notice of Allowability in response to a written request to do so that pointed out that the Notice of Allowability mailed May 6, 2009 erroneously omitted an indication that claim 28 was allowed.

In view of the above, Applicant respectfully requests that a supplemental Notice of Allowability indicating that claims 1-29 are allowed be issued in this case.

Respectfully submitted,
